The Lowville Police investigated a personal injury automobile accident on December 17th, at around 7:50 pm on South State Street. 70-year-old Lisbeth Briot from Watertown was traveling northbound on South State St, when she apparently fell asleep, drifting to the right and striking two parked cars. The impact caused her Toyota SUV to flip and rollover in the north bound lane. Lowville Fire and LCSR responded and Briot was transported to Lewis County Health System for non-life-threatening injuries. She was issued a traffic ticket for driving across hazard markings, returnable to the Town of Lowville Court. Turck's Towing and Wolfe's Body Shop assisted Lowville Police.
